Emails

We ask that you periodically check your Spam folders to make sure you are getting the chance to read any information we are sending out. Even if you have received an email in the past from a board member or coach.

We utilize email to efficiently communicate our important information that you do need to know for a successful season for your player(s).

NEW EMAIL ALERT

concerns@YorkLittleLeague.org

The “concerns” email was created for parents and families to use to send in questions and concerns. The email is monitored by multiple board members to ensure timely responses. We encourage you to use this new tool as a form of communication.

CALLING ALL YLL FAMILY AND FRIENDS

We are looking your assistance on two items.

1. Would you like to volunteer to be on the YLL Board? New voices and new ideas and new viewpoints are what helps the organization to stay fresh and thriving. We have positions opening come October and could really use more help. If you have any questions, please email me at lisa.Ferree@yorklittleleague.org or our Board President josh.Graver@yorklittleleague.org
2. We need more ideas for fundraisers. What would you like us to look into? What have you seen work in other organizations? Let us know.
